Video Project Script and Storyboard  
Fall 2004

**Video Purpose:**  
This video will show locally raised buffalo, buffalo food products and people enjoying these food products.

**Video Approach:**  
This video was largely compiled with the footage that was shot by Texas Food TV at the Lady B. Brown ranch in Brown, Texas during the 2004 Home Festival. Several close-ups of buffalo ribs were used to show a variety of products. An interview in the middle of the video sets up the humor and the final sequence of events.

An experimental shot against a green wall will be put up by an actor walking in a buffalo field. Cutting buffalo will be inserted into the video against the green wall in the safe process. Also, an additional shot of a man's foot stepping in a large pile of buffalo chips will be shot.

**Video Composition:**  
The video has 13 shots, including the start-up on the Texas Food TV graphics.

Total Video Time: 58 seconds

The video run time is broken down by shot on the story board. Each shot is discussed and timed in detail. In addition, graphics, transitions and voiceover is discussed in detail.
